

CURRICULUM VITAE

Daniel Le Grange, Ph.D.

Benioff UCSF Professor in Children's Health
University of California, San Francisco, USA

and

Emeritus Professor of Psychiatry and Behavioral Neuroscience
The University of Chicago, USA

and

BIH Visiting Professor, Stiftung Charité
Berlin, Germany

ADDRESS University of California, San Francisco
Department of Psychiatry and Behavioral Science and Department of Pediatrics
UCSF Weill Institute for Neurosciences
Nancy Friend Pritzker Psychiatry Building
675 18th Street
San Francisco, CA 94143, USA

APPOINTMENTS

Academic Appointments:

- 1990-1991 **Research Worker.** Department of Child and Adolescent Psychiatry, Institute of Psychiatry, University of London, UK.
- 1991-1994 **Senior Lecturer in Psychology.** Department of Psychology & The Child Guidance Clinic, University of Cape Town, South Africa.
- 1994-1995 **Postdoctoral Fellow in Eating Disorders.** Department of Psychiatry and Behavioral Sciences, Stanford University School of Medicine, CA, USA.
- 1996-1998 **Research Assistant Professor of Psychiatry and Fellow,** Applied Behavioral Medicine Research Institute, Department of Psychiatry, State University of New York at Stony Brook, NY, USA.
- 1998-2005 **Assistant Professor of Psychiatry.** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL, USA.
- 2005-2008 **Associate Professor of Psychiatry.** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL, USA.
- 2009-2014 **Professor of Psychiatry (with Tenure).** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL, USA.
- 2014-date **Professor of Psychiatry (Emeritus).** The University of Chicago, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL, USA.
- 2014-date **Distinguished Professor (Named/Endowed).** Benioff UCSF Professor in Children's Health. Departments of Psychiatry & Pediatrics. University of California, San Francisco.

Visiting or Honorary Appointments:

- 2008 **International Visiting Fellow.** University of Sydney, Department of Psychology, Sydney, Australia (March through May).
- 2009-2015 **Professorial Fellow.** University of Melbourne, Department of Pediatrics, Melbourne, Australia.
- 2013-2014 **Presidential Chair and Visiting Professor.** University of California, San Francisco, Department of Pediatrics and Department of Psychiatry, San Francisco, CA.
- 2015 **Visiting Expert.** Ministry of Health, Government of Singapore, KK Hospital for Women and Children, Singapore (January 26 – 30, 2015).
- 2022 **BIH Visiting Professor, Stiftung Charité.** Klinik für Psychiatrie, Psychosomatik und Psychotherapie des Kindes- und Jugendalters, Charité – Universitätsmedizin, Berlin, Germany (April – February 2023).

Clinical Appointments:

- 1990-1991 **Staff Clinical Psychologist.** Department of Children and Adolescents, Bethlem Royal and the Maudsley Hospital, London. Department Psychiatry and The Eating Disorders Unit: Bethlem Royal and the Maudsley Hospital, London, UK.
- 1991-1994 **Consultant Clinical Psychologist.** Child Guidance Clinic, University of Cape Town, Department of Psychiatry, Stellenbosch University Medical School, and Kenilworth Clinic Eating Disorders Unit, Cape Town, South Africa.
- 1994-1995 **Postdoctoral Fellow in Eating Disorders.** Behavioral Medicine Clinic, Department of Psychiatry and Behavioral Science, Stanford University School of Medicine, Stanford, CA, USA.
- 1998-2014 **Director, Eating Disorders Program.** The University of Chicago Medical Center, Department of Psychiatry & Behavioral Neuroscience, Chicago, IL, USA.
- 2014-date **Director, Eating Disorders Program.** Departments of Psychiatry and Pediatrics, University of California, San Francisco, San Francisco, CA, USA.

ACADEMIC TRAINING

Undergraduate

- BA** (Psychology), University of Johannesburg, South Africa 1980
BA (Hons) (Psychology), University of Johannesburg 1981

Graduate

- MA** (Clinical Psychology), University of Johannesburg 1983
PhD (Psychology), IoPPN, University of London, UK 1989

Postdoctoral Research Work/Fellowship

- Eating Disorders, IoPPN, University of London, London, UK 1990/1
Behavioral Medicine Postdoctoral Fellowship, Stanford University, CA, USA 1994/5

CHARTERED PSYCHOLOGIST (UK)

1990-1991 Chartered Clinical Psychologist (inactive)

LICENSURE (USA)

1997 Clinical Psychologist Illinois, # 005579
1998 Clinical Psychologist New York, # 013380 (inactive)
2016 Clinical Psychologist California, # PSY28110

ACCREDITATION (USA)

2015 Clinical Psychologist National Register of Health Service Psychologists,
#54931

FUNDING (Grants/Contracts)

Total Grant/Contract Support as PI over past two decades = USD 11,723,857.00

Completed

“Family therapy for adolescent bulimia nervosa: A controlled comparison”
NIMH (K23 MH01923). **USD 730,000.00**; 04/01/2001 - 03/31/2006.
Role: Principal Investigator.

“Family treatment for adolescent anorexia nervosa”
NIMH (R01 MH070620). **USD 1,250,000.00**; 03/01/2004 - 02/28/2009.
Role: Principal Investigator.

“Treatment of adolescent anorexia nervosa”
NIMH (R01 MH070620S – Diversity Supplement). Recipient Renee Hoste. **USD 209,068.00**;
06/05/2005 – 05/31/2008.
Role: Principal Investigator.

“Ecological Momentary Assessment of anorexia nervosa”
NIMH (R01 MH059674). **USD 507,663.00**; 01/01/2006 - 12/31/2010.
Role: Co-Investigator (Subcontract PI: S. Wonderlich).

“Does inpatient weight restoration prior to outpatient family therapy improve outcomes in
adolescent anorexia nervosa?”
NHMRC (Project Grant 457235). **AUD 528,000.00**; 01/01/2007 - 12/31/2009.
Role: Co-Principal Investigator (Co-PIs: S. Touyz, J. Lock).

“A randomized controlled trial of non-specific clinical management versus CBT in chronic
anorexia nervosa”
NHMRC (Project Grant 457419). **AUD 505,563.00**; 01/01/2007 - 12/31/2009.
Role: Co-Principal Investigator (Co-PIs: S. Touyz, H. Lacey).

“A family system approach to weight restoration in young adults with anorexia nervosa”
University of Sydney, International Research Fellowship. **AUD 20,500.00**; 03/01/2008 -
05/31/2008.
Role: Principal Investigator.

“Intake surveys of alli™ use among eating disorder patients”
GlaxoSmithKline Consumer Healthcare. **USD 5,016.00**; 07/01/2008 – 06/30/2009.
Role: Site PI (Subcontract PI J. Mitchell).

“Latinos, Culture, and Obesity”
NCI (R21-CA131433). **USD 375,000.00**; 07/01/2008 – 06/30/2010.
Role: Co-Investigator (PI: L. Sanchez-Johnsen).

“Parent-Based Treatment of Pediatric Overweight”
NICHD (R21-HD057394). **USD 375,000.00**; 07/01/2008 – 06/30/2011.
Role: Co-Investigator (Subcontract PI: K. Loeb).

“Family-based treatment for young adults with anorexia nervosa”
NIMH (R34 MH083914). **USD 350,000.00**; 07/01/2010-06/30/2012.
Role: MPIs: E. Chen and D. Le Grange.

“Cultural Factors Underlying Obesity in Latino Men”
NCI (R21CA143636). **USD 250,000.00**; 7/1/2010-6/31/2012.
Role: Co-Investigator (PI: Sánchez-Johnsen).

“Treatment of adolescent bulimics”
NIMH (R01 MH079979). **USD1,500,000.00**; 07/01/2008 – 10/31/2014.
Role: Principal Investigator.

“Treatment of adolescent bulimics”
NIMH (R01 MH079979 – Administrative Supplement). **USD 208,662.00**; 06/01/2009 -
02/28/2014.
Role: Principal Investigator.

“Regional postdoctoral training grant in eating disorders research”
NRSA T32 MH 082761. **USD1,824,771.00**; 07/01/2009 - 10/30/2015.
Role: Site Director (Program Director and PI: S. Crow).

“SSRIs and Self-harm in Borderline Personality Disorder”
NIMH (R01 MH084904). **USD 1,800,000.00**; 08/25/2010 - 08/31/2014.
Role: Co-Investigator (PI: E. Coccaro).

“Child and adolescent eating disorders”
Baker Foundation, Melbourne, Victoria. **AUD2,500,000.00**; 06/01/2009 - 05/31/2015.
Role: S. Sawyer and D. Le Grange (MPI) (Subcontract: University of Melbourne).

“Adaptive Family Treatment for Adolescent Anorexia”
NIMH (R34-MH093768). **USD 718,747.00**; 09/01/2011 - 02/29/2016.
Role: Principal Investigator.

“Refining family-based treatment for adolescent anorexia nervosa”
Insight Behavioral Health. **USD 191,000.00**; 01/1/2013 - 12/31/2015.
Role: Principal Investigator.

“Novel Family Based Intervention for Transition Age Youth and their Families: A Two-Phase Feasibility Study.”

Ontario Mental Health Foundation. **CAD 111,060.00**; 04/01/2013-03/31/2015.

Role: Collaborator (PI: G. Dimitropoulos).

“Eating Disorders at University of California, San Francisco.”

UCSF Presidential Chair Award 2013-2014. **USD 150,000.00**; 9/01/13-08/31/14.

Role: Principal Investigator.

“Family-Based Treatment Without Borders: Utilizing Telemedicine to Deliver Family-Based Therapy (FBT)”.

National Eating Disorders Association. **USD 200,000.00**; 01/01/14-12/31/2015.

Role: PIs K. Anderson and D. Le Grange

“Optimizing Fidelity to Family-Based Treatment for Adolescent Anorexia Nervosa”

NIMH (R21/R33-MH096779-01) **USD 1,429,760.00**; 07/1/2012 - 05/31-2018.

Role: Subcontract PI (PI: J. Lock).

“Reconnecting for Recovery: A Relational/Motivational Multifamily Therapy Group for Young Adults with Anorexia Nervosa.”

Hilda and Preston Davis Foundation, **USD 70,000.00**; 06/01/15-05/31/18.

Role: Consultant (PI: M. Tantillo).

“The effectiveness of CBT-E and FBT for adolescent anorexia nervosa”.

Children’s Hospital and Clinics of Minnesota, **USD109,500.00**; 11/01/2014-07/31/20.

Role: Research Consultant/MPI.

“Multi-center Randomized Controlled Trial of Refeeding in Anorexia Nervosa”.

NICHD (R01HD082166) **USD 1,500,000.00**; 07/01/2015- 06/30/2020.

Role: Co-Investigator (PI: A. Garber).

“Calgary Eating Disorder Program of Research”.

Alberta Children’s Hospital Foundation, Alberta, Canada, **CAD200,000.00**; 04/01/2017-03/31/2022.

Role: Co-Investigator (PI: G. Dimitropoulos).

“Trial of repetitive transcranial magnetic stimulation (rTMS) combined with family-based treatment (FBT) for adolescents (12 to 18 years old) with anorexia nervosa (AN).”

Mathison Centre Grant, **CAD 20,000.00**; 7/01/21 – 6/30/22.

Role: Co-Investigator, (MPI: Dimitropoulos, McMaster).

Current

“Stepped-Care for Adolescent Anorexia Nervosa”.

Royal Children’s Hospital, Melbourne, Australia, **USD86,400.00**; 07/01/2016-06/30/2023.

Role: Research Lead (MPI).

“Confirming the Efficacy/Mechanism of an Adaptive Treatment for Adolescent Anorexia Nervosa”.

NIMH (R01 MH 110538), **USD 1,214,515.00**; 05/01/2017 – 04/30/2023.

Role: Co-Investigator (Site PI) (PI: J. Lock).

“Emotion coaching skills as an augmentation to family-based therapy for adolescents with anorexia nervosa: A pilot study”.

NIMH (R34 MH 0528675), **USD 350,000.00**; 05/01/2019 – 04/30/2023.

Role: Co-Investigator, (PI: C. Peterson).

“Implementing Family-Based Treatment for Adolescent Anorexia Nervosa for Providers in Private Practice: A Feasibility Study”.

NIMH (R34 MH622469), **USD 286,849.00**; 06/01/2020 – 11/30/2023.

Role: Principal Investigator (MPI: J. Lock).

“Family Based Treatment via Telemedicine for Rural Adolescents with Anorexia Nervosa”.

InsideOut Institute, University of Sydney, Australia, **USD 107,000.00**; 05/01/2020 – 12/31/2023.

Role: Principal Investigator (MPI: S. Maguire).

“Clinical Treatment Research for Adolescent Eating Disorders”.

Maudsley NHS Trust, London, UK, **USD 60,432.00**; 01/01/2023 – 03/31/2023.

Role: Principal Investigator (MPI: I. Eisler).

“Implementation of FBT Across Three European Sites”.

Karakter (NED), Charité (GER), CHUV (Swiss) (P0565842/3/4), **USD 46,004.00**; 10/01/2022 – 03/31/2024

Role: Principal Investigator (MPI: V. Haas).

“Improving eating disorders services at UCSF”.

Philanthropic Giving, **USD 1,400,000.00**; 01/01/2023 – 12/31/2024.

Role: Principal Investigator.

“Treatment Outcomes in Eating Disorders Across Higher Levels of Care”.

Eating Recovery Center, **USD 742,584.00**; 04/01/2019 – 03/31/2025.

Role: Principal Investigator.

“Clinical Services Research Training Program”.

NIMH (T32 MH018261), **USD 1,825,000.00**; 7/01/20 – 6/30/25.

Role: Faculty Mentor, (PI: L. Piffner).

“Implementation, outcome and mechanisms of family-based treatment for adolescent anorexia nervosa adapted for the home setting: A pilot effectiveness trial.”

NIMH (R34MH123589), **USD 350,000.00**; 02/01/2022 – 01/31/2025.

Role: Consultant (PI: A. Goldschmidt).

“Individualized Study of Refeeding to Optimize inpatient Gains: Renewal of the Multi-center Randomized Controlled Trial of Refeeding in Anorexia Nervosa”.

RNIH (R01HD082166), **USD 3,281,556.00**; 04/01/2021 - 03/31/2026.

Role: Co-I (PI: A. Garber).

“Treatment of adolescents with eating disorders – a randomized controlled trial”.

National program for clinical treatment research, Norway, **NKR 20,000,000.00**; 01/01/23 – 06/30/27.

Role: Co-Investigator (PI: Ø. Rø, Oslo University Hospital, Norway).

“Evaluating the feasibility of a primary care-based treatment for restrictive eating disorders in children and adolescents”.

NIMH (R34MH128296), **USD 715,500.00**; 02/15/2023 – 01/31/2026.

Role: Consultant (PI: J. Lebow)

“Australian Eating Disorders research and Translation Centre”.

Commonwealth Department of Health, Australia/University of Sydney, **AUD13,000,000.00**;
01/01/2023 – 12/31/2025.

Role: Co-Investigator (PI: S. Maguire)

“Adapting family-based treatment for online delivery to youth across the United States”.

Equip Health (CA-0209844), **USD 194,939.00**; 06/01/2023 – 05/31/2025.

Role: Co-Principal Investigator.

“Assessment of Positive and Negative Valence Functions of Exercise in Eating Disorders”.

NIMH (R21 MH127233), **USD 255,644.00**; 09/01/23 – 08/31/25.

Role: Co-Investigator (MPI: K. Schaumberg, University of Wisconsin, Madison; S. Gorrell, University of California, San Francisco).

Mentored Projects

Mostly supported by the NIMH at USD750,000.00 per award to the mentee

“Novel group parent training program for anorexia nervosa”.

NIMH (K23). 03/01/2005 - 06/30/2010.

Role: Mentor, Principal Investigator: N. Zucker (Duke University).

“Early identification and treatment for anorexia nervosa”.

NIMH (K23). 09/01/2005 - 08/31/2010.

Role: Mentor, Principal Investigator: K. Loeb (Mount Sinai School of Medicine).

“Cognitive Behavioral Therapy for Intermittent Explosive Disorder”.

NIMH (K23). 08/01/2006 – 07/31/2009.

Role: Mentor, Principal Investigator: M. McCloskey (The University of Chicago).

“Neurocognitive understanding of loss of control eating in overweight adolescents”.

CSTA/NIH (K12). 06/01/2013 – 05/31/2015.

Role: Primary Mentor, Principal Investigator: A. Goldschmidt (The University of Chicago).

“Neurocognitive understanding of loss of control eating in overweight adolescents”.

NIH (K23). 06/01/2015 – 05/31/2019.

Role: Consultant, Principal Investigator: A. Goldschmidt (The University of Chicago).

“Personalizing a Transdiagnostic Approach to Young Adult Mental Health Assessment via Technology”.

UCSF Digital Health Research, 01/01/2016 – 12/31/2016.

Role: Primary Mentor, Principal Investigator: S. Darrow (University of California, San Francisco).

“Fear Conditioning and Fear Extinction in Anorexia Nervosa”.

NIMH (K23), 10/01/2017 – 09/30/2022.

Role: Primary Mentor, Principal Investigator: S. Murray (University of Southern California, Los Angeles).

“The Integration of Exposure Sessions into Family-Based Treatment for Anorexia Nervosa”.
NIMH (F31), 07/01/2018 – 06/30/2020.

Role: Mentor, Principal Investigator: C. Byrne (George Mason University, Fairfax, VA).

“Adapting and Implementing Family-Based Treatment for Youth with Anorexia Nervosa in Publicly-Funded Settings”.

NIMH (K23), 01/01/2019 – 06/30/2023.

Role: Consultant, Principal Investigator: E. Accurso (University of California, San Francisco).

“Development of an integrative intervention to decrease overeating drive and improve weight loss maintenance”.

NCCIH (K23 AT011048), 07/01/2020 – 06/30/2025.

Role: Specialized Advisor, Principal Investigator: R. Radin (University of California, San Francisco).

“Neural Correlates of Reinforcement Learning Specific to Hyperactivity in Adolescent Anorexia Nervosa”.

NIMH (K23 MH121658), 04/01/2021 – 08/31/2026.

Role: Primary Mentor, Principal Investigator: S. Gorrell (University of California, San Francisco).

“Using Computational Modeling to Test Reinforcement Learning as a Predictor of Response in Family-Based Treatment for Adolescent Anorexia Nervosa”.

NIMH (K23 MH131871), 09/01/2022 – 08/31/2027.

Role: Primary Mentor, Principal Investigator: E. Reilly (University of California, San Francisco).

Pending

“Is outpatient, family-based treatment (FBT) a suitable alternative for long, inpatient weight restoration for severely malnourished children and adolescents with anorexia nervosa?”

InnovationFonds Germany, **Euro 7,400,000.00**; 06/01/24 – 05/31/28.

Role: Co-Investigator (PI: C. Correll, Charité Universitätmedizin, Berlin, Germany).

“Emotion coaching as an adjunct to family-based treatment for adolescents with anorexia nervosa: A randomized controlled trial”.

NIMH (R01 MH131752), **USD 1,777,300.00**; 12/2022 – 11/2027.

Role: Co-Investigator and Site PI (PI: C. Aarnio-Peterson, University of Cincinnati, OH, USA).

SCHOLARSHIP

#3 in *Expertscape* ranking among the world's experts in anorexia nervosa (out of >11,000 scientists; 03/2019) (<https://expertscape.com/ex/anorexia+nervosa>); h-Index 83.

HONORS AND AWARDS

1978-1980	Anglo American Academic Merit Award, South Africa.
1980	Free Press Award, Best Student in Sociology, Johannesburg University, South Africa.
1981	BA (Hons) Cum Laude, Honors Grant, Human Sciences Research Council, South Africa.
1982-1983	MA Cum Laude, Masters Grant, Human Sciences Research Council, South Africa.
1983	Doctoral Grant, Human Sciences Research Council, South Africa.
1986-1989	Overseas Research Student Award, Committee of Vice-Chancellors and Principals of the Universities of the United Kingdom (UK).
1987	Tregaskis Bequest Award, University of London, UK.
1988	Top rated abstracts, Academy for Eating Disorders, New York, NY.
1993	Bremner Bequest Award, University of Cape Town, South Africa.
2002	Elected Fellow of the Academy for Eating Disorders.
2005-2006	Chair's Award for Most Outstanding Teaching, The University of Chicago, Department of Psychiatry.
2006-2007	Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
2007-2008	Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
2008-2009	Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
2010-2011	Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
2011-2012	Chair's Award for Outstanding Scholarship, The University of Chicago, Department of Psychiatry.
2013-2014	Presidential Chair, University of California, San Francisco, CA.
2014-	Emeritus Professor of Psychiatry and Behavioral Neuroscience, The University of Chicago, Chicago, IL.
2014	American Academy of Child & Adolescent Psychiatry, Outstanding Mentor Award (Kathryn Kinasz, MD).
2014	Academy for Eating Disorders Leadership in Research Award.
2017	Eating Disorder Recovery Support Hall of Fame Research Award.
2018	Journal of Eating Disorders Best Research Paper – senior author of PMID:30358513
2019	Journal of Eating Disorders Best Poster at EDRS – senior author
2022	Hilde Bruch Lecture Award, University of Tübingen, Germany

INVITED PLENARIES, LECTURES OR WORKSHOPS

- 1989 Assessing change in anorexic families. Department of Child Psychiatry, Warneford Hospital, University of Oxford. Oxford, England. Invited Lecture, September.
- 1990 Eating disorders: An update. Department of Psychiatry, University of the Witwatersrand Medical School. Johannesburg, South Africa. Invited Lecture, March.
- The in-patient management of severe anorexia nervosa. Department of Pediatrics, University of the Witwatersrand Medical School. Johannesburg, South Africa. Invited Lecture, April.
- 1992 Eating Disorders and its treatment. Department of Psychology, University of Natal. Durban, South Africa. Invited Lecture, February.
- Family therapy for anorexia and bulimia nervosa. Department of Exercise Physiology, University of Cape Town Medical School. Cape Town, South Africa. Invited Lecture, February.
- Family Therapy Trials at the Maudsley Hospital, 1986-1991. Natal Psychiatric Association. Durban, South Africa. Invited Lecture, May.
- The management of Eating Disorders. Department of Clinical Psychology, University of Natal. Pietermaritzburg, South Africa. Invited Workshop, July.
- Eating disorders and The Maudsley Family Therapy Trials. Department of Child Psychiatry, University of Stellenbosch Medical School. Stellenbosch, South Africa. Invited Lecture, October.
- 1993 Family therapy with adolescent anorexia nervosa. Department of Child Psychiatry, University of Cape Town Medical School. Cape Town, South Africa. Invited Lecture, March.
- The etiology of eating disorders; Typical behaviors of patients with eating disorders; and Dealing with the difficult patient. Eli Lilly (SA) Eating Disorders Forum. Johannesburg, South Africa. Invited Presentations, May.
- The etiology and treatment of eating disorders. Department of Clinical Psychology, University of the Western Cape. Cape Town, South Africa. Invited seminar, June.
- Cognitive-Behavioral treatment for bulimia nervosa. Department of Psychiatry, University of Stellenbosch Medical School. Stellenbosch, South Africa. Invited Lecture, July.
- The treatment of eating disorders. Huntersgraig Hospital. Port Elizabeth, South Africa. Invited seminar, August.
- Controlled treatment trials in eating disorders. Department of Psychiatry, University of Cape Town Medical School. Cape Town, South Africa. Invited lecture, August.

- Family treatments in adolescent anorexia nervosa. 9th National Congress of Child & Adolescent Psychiatry and Allied Professions. Cape Town, South Africa, September.
- Cognitive Behavior Therapy for bulimia nervosa. Child and Family Unit, Lentegour Hospital. Cape Town, South Africa, South Africa. Invited lecture, October.
- 1994 Redefining the psychosomatic family: A study of 26 eating disorder families. Department of Psychiatry, The Toronto Hospital, Toronto, Canada. Invited lecture, January.
- Cognitive Behavior Therapy: Principles and value in the treatment of eating disorders. Second Eli Lilly Forum on Eating Disorders. Johannesburg, South Africa. Invited lecture, July.
- 1995 Eating and general psychopathology in Caucasian and minority subjects. Eating Disorders Action Group, Western Cape, Cape Town, South Africa. Invited lecture, December.
- 1998 Controlled treatment studies in eating disorders. A view of the past 10 years. Department of Psychiatry, School of Medicine, SUNY at Stony Brook, NY. Grand Rounds, February.
- The culture specificity of eating disorders. 10th Biennial Congress of the Society of Psychiatrist, Johannesburg, South Africa. Invited Lecture, September.
- 1999 Anorexia nervosa: An update on treatment. Department of Psychiatry, La Grange Hospital, Chicago, IL. Grand Rounds, January.
- Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, University of British Columbia, Vancouver, Canada. Workshop, July.
- Eating disorder pathology in South African Caucasian and non-Caucasian students. 11th World Congress of Psychiatry, Hamburg, Germany. Paper, August.
- Is there a gold-standard treatment for adolescents with anorexia nervosa? Department of Pediatrics, The University of Chicago Hospitals, Chicago, IL. Grand Rounds, August.
- Controlled treatment trials for adolescent anorexia nervosa. Department of Psychology, University of Illinois at Chicago, Chicago, IL. Seminar, December.
- 2001 Controlled treatment studies for adolescent eating disorders. Department of Psychiatry, The University of Chicago, Chicago, IL. Grand Rounds, February.
- Manualized family therapy for adolescents with anorexia nervosa. Castlewood Treatment Center for Eating Disorders, St Louis, MO. Workshop with James Lock, MD, February.
- How helpful are parents in the treatment of adolescent eating disorders? Food: Friend and Foe, ANAD Conference on Eating Disorders. La Grange, IL. Paper, March.

Manualized family therapy for adolescents with anorexia nervosa. Mary Bridge Children's Hospital and Health Center, Tacoma, WA. Workshop with James Lock, MD, March.

Manualized family therapy for adolescents with anorexia nervosa. Kaiser Permanente Group, Stanford, CA. Workshop with James Lock, MD, April.

Family therapy for eating disorders. Eating Disorders Conference and Meeting of the Iowa Psychiatric Society, Iowa City, IA. Paper, June.

Family therapy for eating disorders. Eating Disorders Program, Department of Psychiatry, Columbia University, New York, NY. Seminar, August.

Family therapy for adolescent eating disorders: An update. Department of Pediatrics, The University of Chicago, Chicago, IL. Grand Rounds, September.

Treatment of adolescent bulimia nervosa. Eating Disorders Program, Department of Psychiatry, Northwestern University, Chicago. Seminar, October.

Manualized family therapy for adolescents with anorexia nervosa. Eastern Ontario Children's Hospital, Ottawa, Canada. Workshop with James Lock, MD, October.

Manualized family therapy for adolescents with anorexia nervosa. Academy for Eating Disorders Regional Training Workshops, Atlanta and Chicago. Workshop, October.

2002 Family treatment for eating disorders. Department of Neuroscience, University of North Dakota, Fargo, ND. Grand Rounds, April 2002.

Manualized family therapy for adolescents with anorexia nervosa. Neuropsychiatric Research Institute, Fargo, ND. Workshop with James Lock, MD, April.

Family-based treatment for adolescent eating disorders. Department of Psychology, RUSH St. Luke's Presbyterian Medical Center, Chicago, IL. Colloquium, May.

Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, Halifax, Nova Scotia. Workshop with James Lock, June.

Evidence-based treatments for adolescent eating disorders. Department of Psychiatry, Douglas Hospital/McGill University, Montreal, Quebec. Grand Rounds, June.

Manualized family therapy for adolescents with anorexia nervosa. The Emily Program, Minneapolis, Minnesota. Workshop with James Lock, MD, September.

Recruitment and retention challenges in treatment trials. Research priorities for anorexia nervosa: A two-day workshop. NIMH, Rockville, Maryland. Invited Paper, September.

Family-based treatment for adolescent eating disorders. Invited Paper. Highland Park Hospital Eating Disorders Program, Highland Park, IL. Invited Lecture, December.

- 2003 Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, Westmead Children's Hospital, Sydney, Australia. Workshop with James Lock, MD, February 2003

Anorexia nervosa: A therapeutic approach directed at the family. International Symposium on Advances in the Pathophysiology and Treatment of Obesity, Bulimia and Anorexia Nervosa. Madrid, Spain. Invited Paper, May.

A controlled trial of family-based treatment for adolescent bulimia nervosa: An update. Department of Psychiatry, The University of Chicago Hospitals, Chicago, IL. Grand Rounds, May.

Evidence-based treatments for adolescent eating disorders. Department of Psychiatry, Northwestern University, Evanston Hospital, Evanston, IL. Grand Rounds, May.

Manualized family therapy for adolescents with anorexia nervosa. Eating Disorders Program, Duke University, Durham, NC. Workshop with James Lock, MD, June.

Family-based treatment for adolescent anorexia nervosa: The Maudsley approach. National Eating Disorders Association Annual Meeting, St Charles, IL. Paper, October.

Family-based treatment for adolescent bulimia nervosa: A controlled comparison. The University of Iowa, Iowa City, IA. Research Seminar, November.

Parental involvement in anorexia nervosa post hospitalization: Help or hindrance? The University of Iowa, Iowa City, IA. Grand Rounds, November.

- 2004 Family-based treatment for adolescent eating disorders. Eating Disorders Program, Edward Hospital, Naperville, IL. Invited Lecture, February.

Manualized family-based treatment for adolescent anorexia nervosa: A case series. Department of Psychiatry, Royal Prince Alfred Hospital, University of Sydney, Australia. Invited Lecture, March.

Family-based treatment for adolescent bulimia nervosa: A controlled comparison. Academy for Eating Disorders Annual Meeting. Orlando, FL. Invited Plenary Presentation, May.

Manualized family therapy for adolescents with anorexia nervosa. Department of Psychiatry, St. John's, Newfoundland, Canada. Workshop with James Lock, MD, May.

Manualized family therapy for adolescents with eating disorders. Unity Health Care, University of Rochester, Rochester, NY. One-day seminar, June.

Manualized family therapy for adolescents with anorexia nervosa. Department of Psychology, Boston University, Boston, MA. workshop with James Lock, MD, July.

Family-based treatment for adolescent eating disorders. Department of Psychiatry, Northwestern University, Chicago, IL. The Warren Wright Lecture, December.

- 2005 The paucity of randomized controlled treatment trials in adolescent eating disorders. Department of Psychiatry, The University of Chicago, Chicago, IL. Grand Rounds, January.
- Family-based treatment for adolescent eating disorders. Department of Psychiatry, Children's Memorial Hospital, Chicago, IL. Seminar, February.
- Parents of eating disorder adolescents: Help or hindrance? Sydney, Australia. The Second Peter Beumont Memorial Lecture, March.
- Eating Disorders in Adolescents: Psychopathology, Behaviors and Treatment. South Suburban Hospital, Hazel Crest, IL. Lecture, April.
- The progress of ethnic minority adolescents in family-based treatment. 11th International Conference on Eating Disorders. Montreal, Canada. Paper, April.
- Helping families help their adolescent with anorexia nervosa: A clinician's perspective. Department of Psychiatry, Advocate Lutheran General Hospital, Park Ridge, IL. Grand Rounds, May.
- Evidenced-based treatment for adolescent eating disorders: The role of the family. University of Iowa Family Conference. Cedar Rapids, IA. Lecture, May.
- Eating disorders and the University of Chicago Program. Department of Pediatrics, The University of Chicago, Chicago, IL. Grand Rounds, June.
- Family-based treatment for adolescent anorexia nervosa: A manualized approach. Suburban Center for Eating Disorders, Bethesda, MD. Workshop with James Lock, MD, July.
- Family approaches to eating disorders. Second Hispano Latin American Conference on Eating Disorders. Monterrey, Mexico. Invited Plenary Presentation, October.
- Evidenced-based treatment for adolescent eating disorders: The role of the family. University of Barcelona, Barcelona, Spain. Invited Plenary Lecture, November.
- 2006 Evidenced-based treatment for adolescent eating disorders: The role of the family. Timberline Knolls Eating Disorders Program, La Mont, IL. Lecture, January.
- The Maudsley approach to outpatient treatment for adolescent eating disorders Park House Infant, Child and Adolescent Mental Health Service, Liverpool, Sydney, Australia. Seminar, March.
- Family-based treatment for adolescent anorexia nervosa: A manualized approach Princeton Medical Center, Princeton, NJ. Workshop with James Lock, MD, April.
- Family-based treatment and individual therapy for adolescents with bulimia: A controlled comparison. Department of Psychiatry, University of Minnesota, MN. Grand Rounds, May.

Family-based treatment for adolescent anorexia nervosa: A manualized approach Eating Disorders Institute, Methodist Hospital, St Louis Park, MN. Workshop with James Lock, MD, May.

Family-based treatment and individual therapy for adolescents with bulimia: A controlled comparison. Department of Psychiatry and Psychology, Mayo Clinic, Rochester, MN. Grand Rounds, June.

The case for early intervention in eating disorders: Are adolescents really easier to treat than adults? Eating Disorders Research Society Annual Meeting, Port Douglas, Queensland, Australia. Plenary Address, August.

Family-based treatment and individual therapy for adolescents with bulimia: A controlled comparison. Department of Psychiatry, University of Melbourne, Melbourne, Australia. Colloquium, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Center for Effective Interventions, Denver, CO. Workshop with James Lock, MD, Nov.

2007 Advances in family-based treatment for anorexia and bulimia nervosa. Northern California Kaiser Permanente, Berkeley, CA. Workshop, Jan.

Advances in family-based treatment for adolescent eating disorders. The Victoria Centre of Excellence in Eating Disorders, The Royal Melbourne Hospital, Melbourne, Australia. Seminar, March.

Recent developments in the treatment of adolescents with eating disorders. Royal Prince Alfred Hospital, University of Sydney, Sydney, Australia. Seminar, March.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Eating Disorders Program, Rogers Memorial Hospital, Oconomowoc, WI. Workshop with James Lock, MD, April.

Family-based treatment for adolescent bulimia nervosa. Swedish Anorexia and Bulimia Society, Stockholm, Sweden. Invited Plenary, May.

Family-based treatment for adolescent eating disorder. Eating Disorders Program, North York General Hospital, Toronto, Canada. Seminar, June.

Family-based treatment for adolescent eating disorders. Center for Excellence for Eating Disorders, Melbourne, Australia. Seminar, July.

The Maudsley Method (clinical practicum on eating disorders). American Academy of Child and Adolescent Psychiatry, Boston, MA. Symposium, October.

A controlled comparison of family-based treatment and supportive psychotherapy for adolescent bulimia nervosa. Eating Disorder Research Society Annual Meeting, Pittsburgh, PA. Plenary Address, October.

Family-based treatment for adolescent eating disorders. South West Healthcare Child & Adolescent Mental Health Service, Warrnambool, Australia. Workshop, November.

Case discussion of family-based treatment for adolescent eating disorders. Center for Excellence for Eating Disorders, Melbourne, Australia. Workshop, November 2007.

Treatment model for adolescents with eating disorders. Eating Disorders Forum, Department of Health Services, Melbourne, Australia. Lecture November.

- 2008 Family-based treatment and supportive psychotherapy for adolescent bulimia nervosa: A controlled comparison. Department of Psychiatry, Mt Sinai School of Medicine, New York, NY. Grand Rounds, February.

Family-based treatment for adolescent anorexia nervosa. Center for Excellence for Eating Disorders, Melbourne, Australia. Workshop, April.

The Maudsley approach to treating eating disorders. Sydney Children's Hospital, University of New South Wales, Department of Pediatrics, Sydney, Australia. One-day seminar, May.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Eating Disorders Unit, British Columbia Children's Hospital, Vancouver, Canada, Workshop with James Lock, MD, June.

Family-based treatment for adolescent bulimia nervosa. Cleveland Center for Eating Disorders, Cleveland, OH. One-day seminar, July.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Sydney Children's Hospital, University of New South Wales, Department of Pediatrics, Sydney, Australia. Workshop, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Eating Disorders Unit, Mainely Girls, Portland, Maine. Workshop with James Lock, MD, September.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Baystate Health Eating Disorders Program, Western MA. Workshop with James Lock, MD, October.

Research in Australia: Where do we fit in the world picture? Butterfly Foundation: Facilitating Research into Eating Disorders, Sydney, Australia. Plenary Address, November.

Clinical Case Forum with Center for Excellence in Eating Disorders (CEED). Videoconference with CEED, Melbourne, Australia. December.

- 2009 Family-based treatment for adolescent anorexia nervosa: A manualized approach. Institute for Child and Adolescent Eating Disorders. Palo Alto, CA. Workshop with James Lock, MD, February.

Why parents are not to blame for anorexia nervosa. The 75th William Beattie Smith Lecture. Dean's Lecture Series. University of Melbourne, Melbourne, Australia. March.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Institute of Advanced Studies. University of Western Australia, Perth, Australia. March.

Application of latent profile analysis for the empirical identification of eating disorder Phenotypes in a clinical sample of adolescents. Eating disorders: Diagnosis and Classification Meeting, Washington DC. March.

Family-based treatment for adolescent anorexia nervosa: A manualized approach. Center for Excellence in Eating Disorders, Victoria. Melbourne, Australia. April.

Another look at family-based treatment for adolescent eating disorders. South West Healthcare Child & Adolescent Mental Health Service, Warrnambool, Australia. April.

Family-based treatment for adolescent eating disorders. International Conference on Eating Disorders. Cancun, Mexico. April (meeting cancelled due to H1N1).

Evidence for treating adolescent eating disorders. American Psychological Association Annual Convention. Toronto, Canada. August.

Individual and family therapy for adolescent anorexia nervosa: A controlled comparison. Annual meeting of the Eating Disorders Research Society. Brooklyn, NY. September.

Family-based treatment for anorexia and bulimia nervosa: The Maudsley Approach. National Capitol Area Half-day Conference on Family-Based Treatment. Bethesda, MD. October.

Family-based treatments for adolescent eating disorders: Recent Advances. Eating Disorders Awareness Coalition of Waterloo Region, Kitchener, Canada. October.

A multisite comparison of FBT and AFT for adolescent anorexia nervosa. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.

Evidence-Based Psychosocial Treatments for Child and Adolescent Eating Disorders. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.

Outpatient Treatments for Children and Adolescent Eating Disorders. American Academy for Child and Adolescent Psychiatry Annual Meeting, Honolulu, Hawaii. October.

2010 A multisite comparison of FBT and AFT for adolescent anorexia nervosa. Department of Psychiatry, Feinberg School of Medicine, Northwestern University, Chicago, IL, Grand Rounds, January.

A multisite comparison of FBT and AFT for adolescent anorexia nervosa. SickKids Psychiatry Rounds, University of Toronto, Toronto, Canada, Grand Rounds, February.

Family-based treatment for adolescent eating disorders. Eating Disorders Program, SickKids, University of Toronto, Toronto, Canada, Workshop, February.

Randomized controlled trials for adolescents with eating disorders. Department of Pediatrics, The University of Chicago, Chicago, IL, Grand Rounds (with Catherine Glunz, MD), March.

Family-based treatment for eating disorders: The Maudsley Approach. Working together for recovery: Families and professionals as partners in eating disorders treatment. Chicago, IL, One-day conference at the Quadrangle Club, April.

A multicenter comparison of adolescent focused therapy and family-based treatment for adolescent anorexia nervosa: Implications for families. Eating Disorders: Meeting the challenge. Sydney, Australia, Plenary Address, May.

A multicenter comparison of adolescent focused therapy and family-based treatment for adolescent anorexia nervosa. Department of Pediatrics, University of Melbourne, Melbourne, Australia, Grand Rounds, August.

Outcomes and implementation of family-based treatment for adolescent anorexia and bulimia nervosa. Eating disorders: New Insight. One-day conference at Sheppard Pratt Hospital, Baltimore, MD, Plenary Address, September.

Why are families necessary for fighting eating disorders? Harper Lecture Series, The University of Chicago Alumni Association, Greenwich, CT, Lecture, September.

Family-based treatment for adolescent eating disorders. Department of Psychiatry, University of the Witwatersrand, Johannesburg, South Africa, Two-Day Seminar, November.

Treatment studies of bulimia nervosa in children and adolescents. Developing Evidence-Based Services for Child and Adolescent Eating Disorders. Two-Day Conference, Institute of Psychiatry, King's College, The University of London, London, Plenary Address, December.

Manualized family-based treatment for adolescent bulimia nervosa. Developing Evidence-Based Services for Child and Adolescent Eating Disorders. Two-Day Conference, Institute of Psychiatry, King's College, The University of London, London, Workshop, December.

2011 Family-based treatment for adolescent eating disorders: The Maudsley Approach. From Research To Recovery, One-day MaudsleyParents.org Conference, La Jolla, California, Plenary Address, January.

Family-based treatment: New applications, Clinical Questions and Controversies. From Research To Recovery, One-day MaudsleyParents.org Conference, La Jolla, California, Seminar with Renee Hoste, PhD., January.

Family-based treatment for adolescent eating disorders: The Maudsley Approach. Department of Pediatrics Northshore Long Island Jewish Hospital, Manhasset, NY, Grand Rounds, February.

Family-based treatment for adolescent eating disorders: The Maudsley Approach. Department of Psychiatry, University of Illinois at Chicago, Chicago, IL, Grand Rounds, March.

Family-based treatment for adolescent anorexia nervosa. Department of Pediatrics, Children's Hospital, Vancouver, BC, Canada. Two-day workshop, March.

Family-based treatment – what dietitians can do to support the model. The Dietitians Association of Australia. Eating Disorders Update for Adolescents and Adults. Melbourne, Australia, Plenary Address, April.

Family-Based Treatment for Adolescent Eating Disorders: "Real World" Practice Implementation, Beyond the Randomized Controlled Trial. 2011 International Conference on Eating Disorders. Miami, FL, Workshop with K. Loeb, J. Jones, N. Zucker, April.

Family-Based Treatment for Adolescent Eating Disorders: From the Maudsley to Chicago. Uniformed Services University of the Health Sciences, Department of Medical Psychology, Bethesda, MD, Seminar, May.

Application of Latent Profile Analysis for the Empirical Identification of Eating Disorder Phenotypes in a Clinical Sample of Adolescents. Eating Disorders Research Society Annual Meeting, Edinburgh, Scotland, Symposium, September.

Evidenced-Based Treatment for Adolescent Anorexia and Bulimia Nervosa. American Psychological Society Division 53, Florida International University, Miami, FL, Plenary, October.

Family-Based Treatment for Adolescent Eating Disorders: From the Maudsley to Chicago. University of Pennsylvania, Department of Psychiatry, Philadelphia, PA, Lecture, November.

Family-Based Treatment for Adolescent Eating Disorders: The Maudsley Approach. The 21st Annual Renfrew Foundation Eating Disorders Conference for Eating Disorders, Philadelphia, PA, Workshop with Harriet Brown, November.

2012 Adolescent Eating Disorders: Working with Families. Annual MaudsleyParents One-Day Conference, Pearl River, NY, *Invited Presentation*, February.

Family-Based Treatment for Adolescent Anorexia Nervosa. Westmead Children's Hospital, Sydney, Australia, *Invited Master Workshop*, March.

Advances in Treatment of Adolescent Anorexia Nervosa. Department of Psychiatry, Dartmouth-Hitchcock Medical Center, Lebanon, NH. *Grand Rounds*, April.

An introduction to family-based treatment for adolescent eating disorders. Clinical Teaching Day, The International Conference on Eating Disorders, Austin, TX, *Workshop* with Jim Lock, MD, PhD, May.

Family-based treatment of pediatric overweight and obesity: An innovative application of the “Maudsley Method”. The International Conference on Eating Disorders, Austin, TX, *Workshop* with Katharine Loeb, PhD, Angela Celio-Doyle, PhD, Kristen Anderson, MA, and Tom Hildebrandt, PsyD, May.

Family-based treatment for adolescent anorexia nervosa. APA 53 Workshop at Florida International University, Miami, FL. *Workshop* with James Lock, MD, PhD, May.

The Prevalence and Treatment of Eating Disorders in Adolescence: Public Health Impact. Clinical and Public Health Research Seminar, University of Melbourne, Australia, *Lecture*, May.

Experimental methods: Psychotherapy & Behavior Intervention Trials. 9th International Training Seminar in Child & Adolescent Psychiatry, Bocca Di Magra, Italy, *Lecture*, June.

Syndromal Studies: Eating Disorders. 9th International Training Seminar in Child & Adolescent Psychiatry, Bocca Di Magra, Italy, *Lecture*, June.

A multi-center comparison of CBT and SSCM for chronic anorexia nervosa. Eating Disorders Research Society, Porto, Portugal, *Plenary* with Stephen Touyz, PhD, September.

Helping families cope with family-based treatment. One-Day Maudsley Parents Meeting, Waltham, MA, *Plenary*, September.

2013 The prevalence and treatment of child and adolescent eating disorders: Pediatricians as our first line defense. Department of Pediatrics, Feinberg School of Medicine, Northwestern University, Chicago, IL, *Grand Rounds*, January.

New Developments in Family-Based Treatment for Adolescent Eating Disorders. Two-Day Conference on Learning and Applying New Skills to Treat the Most Difficult Eating Disorders, San Diego, CA. *Plenary*, February.

The prevalence and treatment of child and adolescent eating disorders. Department of Psychiatry, University of Illinois at Chicago, Chicago, IL. *Lecture*, March.

The Prevalence and Treatment of Adolescent Eating Disorders. Eating Disorders Symposium Series, Purdue University, West Lafayette, IN, *Plenary*, April.

Engaging Resistant Families. Chicago Symposium for Treatment of Ivy Plus College Students with Eating Disorders, Chicago, IL. *Plenary*, April.

Helping Parents Help Their Kids: Understanding Family-based Treatment. Madison Conference on Adolescent Eating Disorders, Madison, Wisconsin, WI. *Plenary*, April.

Family-Based Treatment for Adolescent Anorexia Nervosa: Two-Day Training. University Medical Center at Princeton, Princeton, NJ. *Workshop* with Jim Lock, MD, April.

New Evidence and Approaches in the Psychological Treatment of Severe and Enduring Anorexia Nervosa. International Conference on Eating Disorders, Montreal, Canada. *Workshop* with Stephen Touyz, PhD, Hubert Lacey, MD, and Phillipa Hay, MD, May.

Evidence-based Interventions for Eating Disorders. 2013 Spring Pediatric Update Promoting healthy weight in children and adolescents: Addressing the spectrum from obesity to eating disorders. Minneapolis, MN, Plenary, April.

Advanced Training Workshop for Family-Based Treatment. ANZED *Workshop* for At Home with Eating Disorders, Brisbane, Australia, May.

Helping Parents Help Their Kids: Understanding Family-Based Treatment. At Home with Eating Disorders, Brisbane, Australia, *Keynote Address*, May.

From the Laboratory to the Bedside: Insights from Empirical Science, New Randomized Controlled Trials and Health Services Research. Royal Australian and New Zealand College of Psychiatrists Annual Meeting, Sydney, Australia. *Symposium* with Phillipa Hay, Stephen Touyz, and Sarah Maguire, May.

Experimental methods: Psychotherapy & Behavior Intervention Trials. 10th International Training Seminar in Child & Adolescent Psychiatry, Bocca Di Magra, Italy, *Lecture*, June.

Syndromal Studies: Eating Disorders. 10th International Training Seminar in Child & Adolescent Psychiatry, Bocca Di Magra, Italy, *Lecture*, June.

To eat or not to Eat? With or without parents? Centre Hospitalier Universitaire Vaudois, Unité Multidisciplinaire De Santé des Adolescents, Lausanne, Switzerland, *Lecture*, July.

Family-based treatment for adolescent eating disorders. Department of Social Work, Queensland University of Technology, Brisbane, Australia, *Two-Day Workshop*, August.

An RCT of Parent-Focused and Family-Based Treatment for Adolescent Anorexia Nervosa. Eating Disorders Research Society Annual Meeting, Bethesda, MD. *Symposium*, September.

To eat or not to Eat - With or without parents? Division of Adolescent and Young Adult Medicine, Department of Pediatrics, University of California, San Francisco, San Francisco, *Lecture*, September.

Family-based treatment for adolescent anorexia nervosa. The Emily Program, Minneapolis, Minnesota, *One-Day Workshop*, October.

Family-based treatment for adolescent eating disorders: Overvalued or undervalued? Department of Psychiatry, University of California, San Francisco, San Francisco, *Grand Rounds - Distinguished Visiting Lecturer Series*, November.

Family-based treatment for adolescent eating disorders: Progress over the past 20 years. Department of Psychiatry, University of Toronto, Toronto, Canada, *Grand Rounds*, November.

2014 Evidence-based treatment for adolescent eating disorders. Department of Psychiatry, Rush University, Chicago, IL. *Colloquium*, February.

Eating Disorders in children and adolescents. Conversation of Children's Health, University of California, San Francisco, San Francisco, CA. *Lecture*, February.

Family-based treatment for adolescent eating disorders. Deutsche Gesellschaft für Essstörungen, Leipzig, Germany. *Plenary Lecture*, March.

Family-based treatment for adolescent anorexia nervosa. International Conference on Eating Disorders, New York, New York, *Workshop with James Lock, MD*, March.

A Comprehensive and Measured Critique and Discussion of Maudsley and Family Based Therapy: The Civilizing Influence of Rigorous and Impartial Debate. International Conference on Eating Disorders, New York, New York, *Workshop with Michael Strober, PhD*, March.

Therapies for Patients with Eating Disorders and Substance Use Disorders. International Conference on Eating Disorders, New York, New York, *Workshop with Amy Baker Dennis, PhD, Therese Killeen, PhD, Lucene Wisniewski, PhD, Kristin von Ranson, PhD, and Timothy Brewerton, MD*, March.

Challenges for Clinicians Providing Evidence-Based Treatment for Adolescents and Children with Eating Disorders. International Conference on Eating Disorders, New York, New York, Presented by the Child & Adolescent, Family Based Treatment and Nutrition SIGs, *with Rebecka Peebles, MD, Scott E. Moseman, MD, Kortney M. Parman, RD, RN*, March.

Atypical Anorexia, Anorexia: Where Do We Draw the Line? Diagnostic, Clinical and Research Implications. International Conference on Eating Disorders, New York, New York, Presented by the Medical Care and Assessment & Diagnosis SIGs, *with Carol B. Peterson, PhD, Joanna Marino, PhD, Richard E. Kreipe, MD, and Rebecka Peebles, MD*, March.

Challenges in implementing family-based treatment. Illinois IAEDP Chapter, Schaumburg, IL. *Plenary Lecture*, March.

The prevalence and treatment of adolescent eating disorders: Pediatricians as first line of defense. Department of Pediatrics, University of California, San Francisco, San Francisco, CA. *Grand Rounds*, April.

Clinical Research: The prevalence and treatment of adolescent eating disorders. 11th International Training Seminar in Child & Adolescent Psychiatry, Camposampiero, Venice, Italy, *Lecture*, May.

Syndromal Studies: Eating Disorders. 11th International Training Seminar in Child & Adolescent Psychiatry, Camposampiero, Venice, Italy, *Workshop*, May.

Current best practice in the treatment of adolescents with eating disorders. First UCSF Eating Disorders Summit. University of California, San Francisco, San Francisco, CA. *Plenary Lecture*, June.

Adolescent eating disorders: Recent advances in treatments. 47th Annual Advances & Controversies in Clinical Pediatrics. University of California, San Francisco, San Francisco, CA. *Invited Lecture*, June.

Adolescent eating disorders: Recent treatment developments. Convegno Internazionale: Il ruolo della famiglia nel trattamento dei disturbi alimentari Misano Atriatico, Italy. *Workshop and Plenary Lecture*, June.

2015 Evidence-based approach to hospital and outpatient management of eating disorders. Department of Pediatrics, Division of Adolescent Medicine, KK Hospital for Women and Children, Singapore, *Lecture*, January.

Implementation of different care models and Challenges of FBT for Eating Disorders in a Tertiary Setting. Department of Pediatrics, Division of Adolescent Medicine, KK Hospital for Women and Children, Singapore, *Lecture*, January.

Evidence-based approach to hospital and outpatient management of eating disorders. Institute of Mental Health, Singapore, *Lecture*, January.

Challenges in family-based treatment for adolescents with eating disorders. Eating Disorders Program, Singapore General Hospital, Singapore, *Lecture*, January.

Treatment Advances in Adolescent Eating Disorders: An Update for Adolescent Medicine and Psychiatry. Department of Pediatrics Grand Rounds, University of Michigan, Ann Arbor, MI. *Second David Rosen Lectureship Presentation*, March.

Eating Disorders in Adolescence: An Update. Eating Disorders Program, Children's Hospitals and Clinics of Minnesota, Minneapolis, MN. *Lecture*, March.

Treatment Advances in Adolescent Eating Disorders: An Update for Adolescent Medicine and Psychiatry. Department of Pediatrics Grand Rounds, San Francisco General Hospital, San Francisco, CA. *Grand Rounds*, March.

Eating Disorders. American Academy for Child and Adolescent Psychiatry Annual Review, San Francisco, CA. *Lecture*, March.

Family-Based Therapy for the Treatment of Anorexia Nervosa. 2015 Eating Disorders Conference Meeting the Challenge Across the Lifespan, Johns Hopkins University, Baltimore, MD. *Plenary Lecture*, May.

Parent Training: An Introduction to Family Based Treatment of Eating Disorders. 2015 Eating Disorders Conference Meeting the Challenge Across the Lifespan, Johns Hopkins University, Baltimore, MD. *Workshop*, May.

Treatment effectiveness and optimal treatment targets for individuals with severe and enduring anorexia nervosa (SE-AN). Eating Disorders Research Society, Catania, Italy. *Symposium* (Lead by Touyz et al), September.

Evidence-Based Treatments for Adolescent Eating Disorders. Department of Psychiatry, University of Stellenbosch, Tygerberg, South Africa. *Invited Lecture*, September.

The Elusive Etiology of Anorexia Nervosa: Finding Answers in an Integrative Biopsychosocial Approach. Biological Psychiatry Congress, Somerset West, South Africa. *Plenary Lecture*, September.

What is Support? Guidance and best practices for supporting a loved one struggling with an eating disorder. National Association for Eating Disorders Annual Conference, San Diego, CA. *Invited Panel Presentation*, October.

Family-Based Treatment Across Borders: Developing a Telemedicine Approach for FBT. National Association for Eating Disorders Annual Conference, San Diego, CA. *Invited Plenary Presentation*, October.

Family-based treatment for adolescent anorexia nervosa. Developmental Psychopathology Class – John Weisz, PhD, Department of Psychology, Harvard, Cambridge, MA. *Invited commentary*, October.

Family-Based Treatment for Adolescent Anorexia Nervosa. Sala Teatro Santo Spirito, Rome, Italy. *Invited Workshop*, November.

Adolescents and Eating Disorders - An Overview. Youth Health Conference 2015, Melbourne, Australia. *Invited Workshop*, With Martin Pradel, Michele Yo, and Andrew Court, November.

2016 Treatment of adolescent bulimia nervosa vs. anorexia nervosa: Which is ahead? Department of Psychiatry, Division of Child and Adolescent Psychiatry, University of California, San Francisco, San Francisco, CA. *Grand Rounds*, February.

Family Therapy for Adolescent Anorexia Nervosa: Past, Present and Future. International Conference on Eating Disorders, San Francisco, CA. *SIG Panel Presentation with Ivan Eisler*, May.

Closing the Eating Disorder Treatment Gap with Technology and Innovations. International Conference on Eating Disorders, San Francisco, CA. *SIG Panel Presentation with Kristen Anderson*, May.

Clinical Trails and Level of Evidence. 12th International Training Seminar in Child & Adolescent Psychiatry, Fondazione Child, Bertinoro, Italy, *Lecture*, June.

Family-based treatment for adolescent eating disorders. Department of Health, Contra Costa County, Hercules, CA, *Two-Day Workshop*, September.

What have we learned in the 30 years since the first randomized clinical trial in adolescent eating disorders? Eating Disorders Program, University Medical Center of Princeton, Princeton, NJ, *Invited Plenary Lecture*, October.

What to do when FBT does not work? Webinar for the Australia New Zealand Academy for Eating Disorders, *Invited Lecture*, October.

Family therapy for adolescents with eating disorders: A Master Class. Eating Disorders Program, University of California, San Diego, San Diego, CA, *Two-day Master Class with Ivan Eisler, PhD*, October.

Family-based treatment for adolescent eating disorders. Calgary Eating Disorders Program, Alberta Health Services, Calgary, AB, Canada, *Two-day workshop with Gina Dimitropoulos, PhD*. October.

Do the Past Trials and Tribulations in the Treatment of Adolescents with Eating Disorders tell us where to go from here? Department of Psychiatry, University of Calgary, Calgary, AB, Canada. *Grand Rounds*, October.

The fundamentals of family-based treatment. Two-day workshop for ARFID. Eating Disorders Program, Children's Hospital and Clinics of Minnesota, Minneapolis, MN, *Invited Lecture*, November.

Past Trials and Tribulations in the Treatment of Adolescents with Eating Disorders: Where do we go from here? The Department of Psychiatry, Massachusetts General Hospital, Boston, MA. *The 6th Annual Jack Green, MD, Endowed Grand Rounds Lecture*, November.

The Elusive Etiology of Anorexia Nervosa: Finding Answers in an Integrative Biopsychosocial Approach. World Psychiatric Association, Cape Town, South Africa. *Symposium Speaker*, November.

2017 Understanding Levels of Evidence: Their Role in Clinical Research Design. 13th International Training Seminar in Child & Adolescent Psychiatry, Fondazione Child, Bertinoro, Italy, *Lecture*, March.

Past Trials and Tribulations in the Treatment of Adolescents with Eating Disorders: Where do we go from here? Department of Psychiatry, Loyola University Medical Center, Chicago, IL. *Grand Rounds*, April.

This Time it's "Personal": Adapting Empirically Based Therapies in the Era of Personalized Medicine. International Conference on Eating Disorders, Prague, Czech Republic, *Invited Plenary Presentation*, June.

Family-Based Treatment: From the Ivory Tower to the Real World, at All Levels of Care. International Conference on Eating Disorders, Prague, Czech Republic, *Workshop with Ellen Fletcher, PhD, and Erin Accurso, PhD*, June.

Weight, Health, and the Growing Brain: Contemporary Considerations in Treatment Goal Weight Determination for Children and Adolescents with Restrictive Eating Disorders. International Conference on Eating Disorders, Prague, Czech Republic, *Workshop with Debra Katzman, MD, Rebecka, Peebles, MD, and Andrea Garber, PhD*, June.

Treatment of Eating Disorders and Evidence Behind it. Treating Eating Disorders One Meal at a Time: Family-Based Treatment for Youth and Adolescents. Baystate Department of Pediatrics, Baystate Department of Child Behavioral Health and Baystate Continuing Interprofessional Education, Hadley, MA, *Workshop*, September.

Family-based treatment for adolescent anorexia nervosa: A Master Class. Baystate Department of Pediatrics, Baystate Department of Child Behavioral Health and Baystate Continuing Interprofessional Education, Hadley, MA, *Workshop*, September.

This Time it's "Personal": Adapting Empirically Based Therapies in the Era of Personalized Medicine. Department of Adolescent Medicine, University of Melbourne, Melbourne, Australia, *Invited Lecture*, September.

Family-based treatment for adolescent anorexia nervosa. Center for Diabetes and Weight Management, Lifespan, Brown University, Providence, RI, *Workshop*, October.

2018 Family-Based Treatment for Adolescent Anorexia Nervosa: Two-Day Training. Rintveld Eating Disorders Program, Utrecht-Zeist, The Netherlands, *Workshop*, March.

Adults Only: Parent-Focused Treatment for Restrictive Eating Disorders in Youth. International Conference on Eating Disorders, Chicago, IL, *Workshop with Katharine L. Loeb, PhD, and Martin Pradel, MA*, April.

Early Career SIG Panel. International Conference on Eating Disorders, Chicago, IL, *Special Interest Group, Early Career, Panelist*, April.

Family-Based Treatment: From the Ivory Tower to the Real World. 2018 Eating Recovery Conference, Denver, CO, *Invited Plenary with Ellen Astrachan-Fletcher, PhD.*, October.

E-mental health and why it is needed. Current research trials and the Eating Disorders Program in Leiden. InsideOut Institute Inaugural Lecture by Eric van Furth, PhD, Sydney, Australia, *Invited Panel Member*, October.

Family-Based Treatment for Adolescent Eating Disorders: Where are we now? Educational Seminar, Royal Children's Hospital, Melbourne, Australia. *Invited Lecture*, October.

2019 Family-Based Treatment Without Borders: Utilizing Telemedicine to Deliver FBT. National Eating Disorders Association, New York, NY. *Invited Talk*, March.

The Therapeutic Use of Humor and Irreverence in Treatment for AN: Levity in the Context of a Deadly Serious Disorder. International Conference on Eating Disorders Teaching Day, New York, NY. *Workshop conducted with Nancy Zucker, PhD, Katharine Loeb, PhD, Kathryn Huryk, MA, Martin Pradel, MA, & Gina Dimitropoulos, PhD*, March.

Parent-Focused Treatment for Adolescent Anorexia Nervosa. International Conference on Eating Disorders Teaching Day, New York, NY. *Invited Workshop presented by Sasha Gorrell, PhD.*, March.

Severe and enduring anorexia nervosa: From adolescence to adulthood. London Eating Disorders Conference 2019, London, UK. *Invited Workshop with Hubert Lacey, MD, Phillipa Hay, MD, & Stephen Touyz, PhD.* March.

Family-Based Treatment for Adolescent Eating Disorders, Klinik für Psychiatrie, Psychosomatik und Psychotherapie des Kindes- und Jugendalters, Charité – Universitätsmedizin, Berlin, Germany. *Invited Talk*, March.

Family-based treatment for adolescent eating disorders. Scuola Di Psicoterapia Cognitiva, Turin, Italy. *Invited Two-day Workshop*, March.

Understanding Levels of Evidence: Their Role in Clinical Research Design. 15th International Training Seminar in Child & Adolescent Psychiatry, Fondazione Child, Rome, Italy, *Lecture*, May.

Moderators and mediators of family-based treatment for adolescent anorexia nervosa. American Psychiatric Association Annual Meeting, San Francisco, *Symposium*, May.

Eating Disorders for the General Psychiatrist. Evidence-Based Treatments for Adolescent Anorexia and Bulimia Nervosa. American Psychiatric Association Annual Meeting, San Francisco, *Teaching Session*, May.

Family-based treatment for adolescent eating disorders. InsideOut Institute, University of Sydney, Sydney, Australia, *Two-day Workshop*, November.

2020 Family therapy for adolescent anorexia nervosa. UC San Diego 4th Annual Eating Disorders Conference, La Jolla, CA, *One-day Workshop with Ivan Eisler, PhD, and Roxanne Rockwell, PhD*, February.

Telehealth Family-based treatment. InsideOut Institute, University of Sydney, Sydney, Australia, *Webinar*, April.

Innovative Treatment Approaches. Eating Disorders Research Society Virtual Meeting 2020, *Invited workshop with Co-Chairs Anja Hilbert (Germany), Ulrike Schmidt (UK), and Katrin Giel (Germany)*, October.

COVID19 and Eating Disorders: Exploring the Impact on Patients-Carers and Management Challenges. Academy for Eating Disorders Zoom Webinar, *Invited speaker along with Janet Treasure (UK), and Valentina Cardi (UK/Italy), Moderator: Fernando Fernandez-Aranda (Spain)*, November.

Two-day Family-based treatment Online workshop. InsideOut Institute, University of Sydney, Sydney, Australia, *Workshop*, November.

2021 Two-day Family-based treatment Online workshop. InsideOut Institute, University of Sydney, Sydney, Australia, *Workshop*, February.

Enhanced cognitive-behavior therapy and family-based treatment for adolescents with an eating disorder: a non-randomized effectiveness trial. Royal Children's Hospital, Melbourne, Australia, *Invited Lecture*, March (virtual).

Family-based treatment for transition-aged youth. Academy for Eating Disorders Webinar. Presenter Gina Dimitropoulos, PhD, Moderator Daniel Le Grange, PhD, March.

A critical look at the elusive definition of recovery in anorexia nervosa. ACUTE at Denver Health, Denver, CO, *Invited Journal Club*, July (virtual).

Two-day Family-based treatment Online workshop. InsideOut Institute, University of Sydney, Sydney, Australia, *Invited Webinar*, August.

An Update on Family-Based Treatment for Adolescent Eating Disorders. Families Empowered and Supporting Treatment of Eating Disorders, F.E.A.S.T. *Invited Webinar*, June.

Interpreting Clinical Research: Design, Levels of Evidence & Standards of Reporting. 16th International Training Seminar in Child & Adolescent Psychiatry, Fondazione Child Rome, Italy, *Invited Lecture*, September (virtual).

Family-based treatment for adolescent eating disorders. 8th International Neuroscience Update Congress, and 2nd International Eating Disorders Conference, United Arab Emirates, *Invited Plenary*, November (virtual).

2022 Family-based treatment for adolescent anorexia nervosa: outcomes of a stepped-care Model. Department of Pediatrics, Division of Adolescent Medicine, Royal Children's Hospital, Melbourne, Australia. *Invited Lecture*, February (virtual).

Family-based treatment for adolescent anorexia nervosa. Karakter, expertisecentrum voor kinder- en jeugdpsychiatrie, Almelo, Radboud University, The Netherlands. *Invited Workshop*, April.

Family-based treatment for adolescent anorexia nervosa. Universitätsklinik für Kinder- und Jugendpsychiatrie, Uniklinikum Salzburg, Austria. *Invited Workshop*, May.

Family-based treatment for adolescent anorexia nervosa. Klinik für Psychiatrie, Psychosomatik und Psychotherapie des Kindes- und Jugendalters, Charité – Universitätsmedizin, Berlin, Germany. *Invited Workshop*, May.

Two-day Family-based treatment Online workshop. InsideOut Institute, University of Sydney, Sydney, Australia. *Workshop*, June.

Adapting Empirically Based Treatment for Adolescent Eating Disorders in the Era of Precision Medicine. Schön Clinic Roseneck, Prien am Chiemsee, Germany. *Invited Lecture*, July.

Adapting Family-Based Treatment for Adolescent Eating Disorders in the Era of Precision Medicine. Klinik für Psychiatrie, Psychosomatik und Psychotherapie des Kindes- und Jugendalters, LVR-Klinikum Essen, Kliniken/Institut der Universität Duisburg-Essen, Germany. *Invited Lecture*, July.

Twenty Years of Family-Based Treatment for Adolescent Eating Disorders. Kompetenzzentrum für Essstörungen Tübingen (KOMET), Abteilung für Psychosomatische Medizin und Psychotherapie, Universitätsklinikum Tübingen, Germany. *2022 Hilde Bruch Award Lecture*, July.

Family-Based Treatment for Adolescent Anorexia Nervosa. Kompetenzzentrum für Essstörungen Tübingen (KOMET), Abteilung für Psychosomatische Medizin und Psychotherapie, Universitätsklinikum Tübingen, Germany. *Invited Workshop*, July.

Family-Based Treatment for Adolescent Anorexia Nervosa. Service Universitaire de Psychiatrie de l'Enfant et de l'Adolescent, De département de psychiatrie – CHUV, Lausanne, Switzerland. *Invited Workshop*, August.

Family-Based Treatment for Adolescent Eating Disorders: *How* and for *whom* does it work? Department of Psychiatry, Pennsylvania State University, State College, PA. *Grand Rounds*, October.

Family-Based Treatment for Adolescent Anorexia Nervosa. InsideOut Institute, University of Sydney, Sydney, Australia. *Invited Advanced Workshop*, December.

2023 Familienbasierten Therapie für Kinder und Jugendliche mit Anorexia Nervosa, Charité, Berlin, Germany, *First German FBT Workshop with Claudia Thurn, Elisabeth Neumeier and Verena Haas*, February.

Family-Based Treatment for Adolescent Anorexia Nervosa. InsideOut Institute, University of Sydney, Sydney, Australia. *Invited Workshop with Ute Morris and Eric Billing*, March.

Eating Disorders Research at the University of California, San Francisco Research Program. Sydney, Australia. *Invited Presentation*, Australian Eating Disorders Research and Translation Centre Workshop, March.

Family-Based Treatment for Adolescent Anorexia Nervosa. Schoen Clinic, Birmingham, United Kingdom. *Invited Master Class*, March.

Efficacious Psychosocial Treatments for Eating Disorders in Youth. Eating Disorder Treatment Practice Guidelines - SOC Summit, Hyannis Port, Massachusetts. *Invited Talk*, June.
